## **WHAT COULD TOP THE “NEW” PARKERS’ LIGHTHOUSE? The Arrival of QUEENSVIEW STEAKHOUSE**

(Long Beach, CA) Parkers’ Lighthouse, known for its mesquite grilled fresh seafood, is excited to announce the addition of the **Queensview Steakhouse** atop the third floor of the completed \$2.5 million remodel and modernization project.

One of the most dramatic changes of this exciting makeover is the complete transformation of the third floor with the unveiling of **Queensview Steakhouse**, a hip city “supper club” open to the public on Friday and Saturday nights. Guests can listen to the sounds of live music, while enjoying great food and a classy new bar that stretches the length of the room. The upscale Southern California menu features Prime steaks, chops, lobster, and fresh grilled fish plus a Wine Spectator award-winning wine list and unparalleled service (menu available here [www.parkerslighthouse.com/queensviewsteakhouse](http://www.parkerslighthouse.com/queensviewsteakhouse))

As guests are escorted to a secluded check in area and take the elevator to the top floor, they are greeted by a 360° view which is arguably one of the most romantic rooms in Southern California.

Long time General Manager, Michael Cole states, “**Queensview Steakhouse** will now be the upscale dining destination along the coast. Guests have been waiting for this concept to come to Long Beach.”

Parkers’ Lighthouse patrons will love the vibrant “new” Lounge, now located on the main floor. The Lounge & modernized Patio space allow guests to enjoy a variety of drinking and dining experiences in a relaxed retreat setting, featuring exclusive private cabanas and nightclub-style Hollywood booths.

The restaurant’s extensive menu features pioneering Southern California seafood dishes where freshness and natural flavors are never compromised. Parkers’ new menu will also include expanded items such as: steak, pasta, and chicken selections. The legendary restaurant will continue to offer the freshest and most creative sushi and sashimi prepared by award-winning Sushi Chef Gene Hsieh.

Queensview Steakhouse at Parkers’ Lighthouse is located at 435 Shoreline Village Drive, Long Beach 90802. For reservations, call 562-432-6500.
